FAMILY WATCHDOG

Some CDC research has estimated that approximately **1 in 6 boys and 1 in 4 girls** are sexually abused before the age of 18.

Shocking statistics come from recent studies on the epidemic of sexual assaults that plagues our society today. Our goal at Family Watchdog is to provide you with the information you need to protect your loved ones. Our service allows you to view known registered offenders and predators in your area. Knowing who these people are and what they've done provides you with your best defense to protect your family - awareness.

Talk with your children

Family Watchdog was created with you, the parent, in mind. We are the nation's leading provider with up-to-date sexual offender information.

Go to our site at www.familywatchdog.us and type in your address - from there you will see a map with all the registered sexual offenders in your area. It doesn't just stop there! Try searching your child's school, daycare, your place of employment... You will notice, they are everywhere.

So how can you keep yourself and your loved ones safe with this information?

We here at Family Watchdog are firm believers that **Awareness is your Best Defense!** Talk to your children about the potential dangers in the world today. Sign up for our free notifications that alert you when there has been a move in/out of your area of a sexual predator.

You as a caregiver to your child knows them best!

Is something off? Maybe it's a different attitude or new behavior? If you **EVER** suspect child abuse, **call 911 and REPORT IT** - whether it's your child or a neighbors!
